RE: Request No: 02-FOI-01368-11

Dear Webster,

This is to acknowledge receipt of your Freedom of Information Act (FOIA), 5 U.S.C. 552, request dated August 24, 2011 and received in this office on August 31, 2011, for records related to:

AES power plant in Guayama, PR

The program(s) office(s) that have been assigned this request will be responding to you directly. The Agency has twenty (20) working days to respond to your request, except when you have agreed to an alternate due date or unusual circumstances exist that would require an extension of time under 5 U.S.C. 552 (a) (6) (B).

There is now a new link which allows Environmental Auditors, Real Estate Agents, Mortgage Banks, Engineering and Environmental Consulting Firms and the public, to determine if EPA databases have records on a specific property without filing a Freedom of Information Act (FOIA) request. Please note the results of this search will be identical to the information you would receive by filing a FOIA request with EPA for these records. MyPropertyInfo is a single reporting tool for printing from multiple EPA databases which can be accessed by visiting www.epa.gov/foia; You can also find out the status of your request.

Please include your FOIA number in all subsequent communications with respect to this assignment. It is also recommended that you include your email address in all related communications for faster processing. If you have any additional questions, contact me.

Sincerely,

Wanda Calderon
FOIA Specialist
